NEMA4X Electric Fiber Optic Endface Cleaning Pen

Overview

This precision cleaner quickly cleans the end faces of fiber optic connectors, while eliminating electrostatic charge, which can attract airborne contaminants to the end face. Talk to a knowledgeable OCC Expert that can find or customize a product to fit your specifications. The electric fiber endface cleaning pen can completely remove anhydrous stains from the fiber endface and carry the stains away; Its high rotation speed achieves an effect similar to endface polishing, making it especially suitable for stubborn stains on fiber endfaces that haven't been cleaned for. FOCCUS Fiber-Wash Precision Fiber Optic Cleaning Pens contain powerful solvent cleaners that quickly and safely cleans the end face of fiber optic connectors, splices and ribbons. 800-622-7711Corning multifiber connector cleaning kit is designed for effective cleaning of fiber optic connector end-faces, whether fully accessible or in an adapter, in local area network (LAN), central office and outside plant environments. Engineered for technicians and installers, this all-in-one kit provides the essential tools required to effectively clean and.
