

Kyrgyzstan Optical Cable Project

Overview

The construction of FOCL began in Baitik village, Alamedin district, Chui region. The initiative is being implemented as part of the first component of the World Bank's Digital CASA — KR project under the Ministry of Digital Development — Expanding the Regional Digital Connectivity. Bid on readily available Kyrgyzstan Optical Fibre Cables Tenders with GlobalTenders, the biggest and best online tendering platform, since 2002. com offers an unmatched database of Optical Fibre Cables tenders from Kyrgyzstan, more than any other platform. TendersOnTime, the most comprehensive database for Government Tenders and International Tenders; collects information. Construction of fiber-optic communication lines (FOCL) within the framework of the Digital CASA-KR project officially started in the republic. Our insights help businesses to make data-backed strategic decisions with ongoing market.
