

Large-size surface-mounted electrical control box enclosure

Overview

Floor-standing and wall-mount large electrical enclosures rated NEMA 4X and IP66, built in stainless steel, carbon steel, and FRP for substations, process plants, and heavy industrial installations. No matter how harsh the environment is, there is always a proper enclosure for your needs. Thanks to protection ratings and high quality cable (from 65 x 65 mm up to 361 x 254 mm) plus 3 different cover heights are available. Eaton offers top-quality enclosures to meet a wide variety of customer requirements and delivery needs. Our full line of residential, commercial, industrial and classified enclosure solutions are ideal for oil and gas, mining, water and waste water, OEM panel shop applications and more. Custom designed based on different IP ratings above IP 65, IP66, and even IP68 Low MOQ from 1 pc to support your business Your premier Large Electrical Enclosure manufacturer, both for the indoor and outdoor enclosure.
