

Lawsuit filed over telecommunications fiber optic cable passing through residential building

Overview

The Town of Wappinger, New York has filed a proposed class action lawsuit against Verizon, AT&T, Frontier, Consolidated Communications and several other telecom firms, claiming the companies' "sprawling network" of abandoned, lead-sheathed telecommunications cables have exposed. The Town of Wappinger, New York has filed a proposed class action lawsuit against Verizon, AT&T, Frontier, Consolidated Communications and several other telecom firms, claiming the companies' "sprawling network" of abandoned, lead-sheathed telecommunications cables have exposed. Verizon is once again squaring off against New York over claims from the city that the telecom giant did not live up to its Fios build-out promises. In a lawsuit (PDF via Ars Technica) filed in the New York State Supreme Court on Monday, the city said that Verizon's Fios rollout has only reached. How to avoid these types of lawsuits altogether, and minimize the potential damages when a suit is filed. During the past 20 years I have been involved as a technical expert in 20 lawsuits or actions prior to lawsuits. ("Uniti"), seeks review of the trial court's September 5, 2023 judgment, which granted the exception of prescription filed by defendant, Miller Pipeline, L. ("Miller"), and dismissed its lawsuit with prejudice. For the following reasons, we affirm. FACTS AND. Question from Tom, What are my rights if fiber optic work is carried out on my property without my consent?

Answer from AI: When a company or individual carries out fiber optic work on your property without your consent, it may be considered trespassing or a violation of property rights. However. (Fiber optic line through drain line) ; r/Plumbing A place f...
