

# NEMA4X Electric Fiber Optic Endface Cleaning Pen

## Overview

This precision cleaner quickly cleans the end faces of fiber optic connectors, while eliminating electrostatic charge, which can attract airborne contaminants to the end face. Talk to a knowledgeable OCC Expert that can find or customize a product to fit your specifications. The electric fiber endface cleaning pen can completely remove anhydrous stains from the fiber endface and carry the stains away; Its high rotation speed achieves an effect similar to endface polishing, making it especially suitable for stubborn stains on fiber endfaces that haven't been cleaned for. FOCCUS Fiber-Wash Precision Fiber Optic Cleaning Pens contain powerful solvent cleaners that quickly and safely cleans the end face of fiber optic connectors, splices and ribbons. 800-622-7711 Corning multifiber connector cleaning kit is designed for effective cleaning of fiber optic connector end-faces, whether fully accessible or in an adapter, in local area network (LAN), central office and outside plant environments. Engineered for technicians and installers, this all-in-one kit provides the essential tools required to effectively clean and.
