

# OTDR Fiber Optic Tester MTS200

## Overview

As a fiber optic cable assemblies producer and supplier in Turkey and an optical assemblies supplier for Europe and Asia, Sann Teknoloji has been providing high-quality and reliable fiber optic cable assemblies since 2006. Due to o. As a fiber optic cable assemblies producer and supplier in Turkey and an optical assemblies supplier for Europe and Asia, Sann Teknoloji has been providing high-quality and reliable fiber optic cable assemblies since 2006. Due to our fully equipped production facilities, laboratories and long-term expertise in fiber optics, we are able to produce a. Being a Turkish fiber optic cable manufacturer and an efficient supplier for Europe, Asia and America, SANN Teknoloji joined the global market with very high potential. SANN designs and manufactures a wide variety of fiber optic cable types optimized for fixed or mobile networks that can be used in indoor and outdoor environments. SANN offers reliab. As a Turkish producer of future-ready fiber optic data center equipment, SANN Teknoloji produces UHD ultra high density MTP/MPO panels and cassettes, modular panels and cabling raceways. SANN Teknoloji has also kept pace with the accelerating spread of Cloud Computing, which has increased the need for mega Data Centers. SANN provides Data Center so.
