

# Western European FRP Channel Cable Trays

## Overview

FRP cable trays offer corrosion immunity, 50% faster installation, and EMI transparency. FRP cable tray is the support system for managing cables and protect cables from heating, rains and corrosive elements. They are widely used in chemical plants, building con-structions and residential life by virtue of its. Enduro cable tray (sometimes called cable ladder) sets the industry standard for high-quality fiberglass cable tray. Made from the highest quality pultruded materials, our Fiber Reinforced Polymer (FRP) cable tray is extremely durable and resistant to chemical attack, with a proven record of. We proudly manufacture and supply a diverse range of premium-quality cable trays, designed to meet the demands of industries like chemical plants, refineries, and power plants. With our head office in Sweden and multiple. 🏢🏢 construction industry for the past 40+ years.
